What is Push the Rock?

Push the Rock is a biblically based sports ministry. We share the gospel of Jesus Christ through the platform of sports. We desire to honor God above all else and teach Christian values in the world of sports. Our mission is to create an atmosphere where the message of Christ and excellence in athletics meet.

Does my child need any prior knowledge of the sports you are playing?

Can I get a discount for siblings?

Yes. If you enroll two children, the class will cost \$51.00 for your second child. If you enroll three children or more, the class will cost \$46.00 for your third child and any additional children.

How many classes are in a session?

In the Lehigh Valley area, there are six classes plus one field trip per session. In the Souderton area, there are five classes plus one field trip per session.

Do I have to enroll in all four sessions or can I enroll individually?

You can enroll in all four sessions or you can enroll in one session at a time. Whether you can do one session or four, you are welcome!

Do you play all one sport or is it varied?

Each week, we will play a different sport. If your student does all four sessions they will do some of the more popular sports twice (i.e. soccer, basketball, flag football, etc.) Each session also includes a fitness workout and a field day.

Is each session the same or does it change?

Each session is different. The exceptions are that we will do a fitness circuit and a field day each session. We also have a field trip at the end of each session but the field trips are all different.

How are the age groups split up?

In larger classes, we split the group into two classes. Students ages 6-10 will play together and students ages 11-17 will play together. In smaller classes, there will be one class but students will still play with other students in their age group.
